## PURPOSE AND SCOPE

1.01 The students, faculty, and staff of Oklahoma State University can best learn, work, and live in an environment free from the dangers and constraints, both physical and psychological, which can arise from the presence or use of weapons, firearms, ammunition, fireworks, explosives, and dangerous chemicals on the campus. It is therefore the policy of OSU to prohibit or strictly regulate the possession or use of any of these items on campus, in OSU vehicles, or on OSU-sponsored trips.

## DEFINITIONS

2.01 **Campus** shall include any real property, buildings, or other structures or improvements owned or controlled by OSU.

2.03 **Weapon** shall mean any object that could potentially inflict injury or harm if used in a threatening, aggressive, or careless manner. By way of example and without limitation, weapons shall include archery equipment, slingshots, martial arts devices, swords, bayonets, clubs, knives other than small pocket or kitchen knives, and other similar devices.

2.04 **Fireworks** shall mean any combustible or explosive composition, or any substance or combination of substances, or article, prepared for the purpose of producing a visible or an audible effect by combustion, explosion, or detonation. By way of example and without limitation, fireworks shall include firecrackers, torpedoes, skyrockets, roman candles, and other similar devices.

2.05 **Ammunition** shall mean any device which contains gunpowder or any other substance designed to propel a projectile and intended for use in a firearm.

2.06 **Explosives and dangerous chemicals** shall mean any substance whose chemical properties make them inherently dangerous. By way of example and without limitation, explosives and dangerous chemicals shall include dynamite, blasting caps, plastic explosives, and flammable liquids and solvents such as gasoline, kerosene, and propane. Nothing contained in this policy shall be deemed to prohibit the use of chemicals in the normal conduct of classes or facilities maintenance functions or in the operation of equipment or motor vehicles.

2.07 **Certified police or peace officer** shall include those persons employed by municipal, county, state, or national agencies who comply with the statutory requirements for certification as a police or peace officer.

4.03 Police and peace officers who have been invited to demonstrate or lecture to a class may carry a firearm, ammunition, or weapon on campus. OSU employees responsible for extending these invitations should advise the OSU Police Department concerning these visits.
